Important Measurement Instructions:

Before measuring, tie a thin elastic around true waist line. All measurements should be taken in undergarments usually worn under tutu. All measurements in centimetres. Measurements should be exact. Do not allow ease or growth room. Tutus will come with a 3 centimetre seam allowance at centre back.

Bust Waist Waist to hip bone Hip (on hip bone)

Lower hip (largest part of buttocks) Upper leg in groin

Waist to waist i.e. Pass tape from waist elastic through crotch to waist elastic at back

Shoulder to shoulder i.e. Place tape on right shoulder, pass it through the crotch and up the back to meet the right shoulder Shoulder to waist i.e. Mid shoulder, over point of bust

to tape at waist Top point of tutu to waist i.e. Where elastic joins bodice down

to waist Upper arm i.e. Measure midway between shoulder and elbow

Length of longest net

Please re-check these measurements thoroughly before sending Measurement Sheet
